

In the City Council
City of Lodi
Lodi, California

RESOLUTION NO. 1125

WHEREAS, increasing space demands caused by war activities, such as Civilian Defense Control Center, the Sugar and Tire Rationing Boards and other local, state and national meetings have far overtaxed the capacity of the City Hall in this City, sometimes to the detriment of necessary governmental functions, and,

WHEREAS, there is space available in the City Hall basement that, if properly designed, could be used for these boards, Commissions and Officers, therefore,

BE IT RESOLVED, that the City Engineer be, and he is hereby authorized and directed to prepare plans and specifications necessary to alter the said basement for the accommodation of the activities first herein mentioned, further,

RESOLVED, that the City Clerk, heretofore designated as priority officer of this City, apply to the War Production Board and/or to the Federal Housing Administration for permission to begin construction and that he secure such priority ratings as may be necessary to accomplish the purpose herein.
